

## 2019, THE PLACE OF ABUNDANCE

Psalm 66:12 (NIV)

...but you brought us to *a place of abundance*.

Thank you, Father. Let's celebrate Him Family. Make the voice of His praises heard in the land of the living. For He has been good to us. He has done great and unsearchable things for us. He has kept our souls among the living. He has not allowed our feet to be moved. We say thank you Daddy.

You have been our refuge and place of safety. You have been our God and we say thank you for being trustworthy. We have been privileged to trust in your unfailing love. You have rescued us from every trap and protected us from deadly diseases. You covered us with your feathers and sheltered us with your wings.

You have been our armor and protection. You have been our rock, our fortress, and our savior. For these, we say, thank you. Your promise of protection in our lives and over our lives have been the reason why we have not been afraid of the terror of the night nor the arrow that flies in the day; nor the dread of diseases that stalk in the darkness, nor the disaster that strikes at midday. Thousands have fallen at our sides, ten thousand lay dead around us but You Father did not allow these evils to touch us. We say thank you.

Your promises to us are sure and pure. We have been beneficiaries of fulfilled promises. We have been directed by you to be helpers and facilitators for others. We say thank you. You armed us with strength and made our way perfect. In your strength, we crushed armies; with you oh God, we scaled walls. Your commands brought joy to our hearts and made us wise. We say thank you Daddy.

In 2018, we were like trees planted by streams of water which yielded fruits in season. Our leaves did not wither and whatever we did has prospered. Many were our foes, who rose up against us, yet, you delivered us. We enjoyed restful nights because you sustained us. For these, and more, we say thank you. We waited expectantly on you this year and you came through for us. We say thank you Daddy.

You blessed us; you surrounded us with favor like a shield.

We went through all the tests – the God test, the man test, yet we made it through because You God, was with us. You refined us in the process as silver is refined. You brought us into the net and laid burdens on our backs. You let people ride over our heads; we went through fire and water, but you brought us to a place of abundance. We say thank you, Daddy.
