OF AWAE (YAOUNDÉ-CENTER REGION) FROM FRIDAY THE 27th OF
DECEMBER 2019 - SUNDAY THE 29th OF DECEMBER 2019.**

THEME: NO MORE BONDAGE (**Revelation 18:4**).

The time set for the crusade was from 4pm to 8pm with the following Ministers of God:

-Prophet Ngachu Elvis (Host)

-Apostle Yemi Sylvester (Guest Speaker)

-Rev. Pastor Forkwa Pauline (Guest Speaker) from USA

It began with a caravan tour in the city of Awae on the **26th of December**, reminding and announcing the crusade while posters and handbills had already been posted all over the place.

Day 1 – Friday December 27, 2019

The message of the day was brought to us by Prophet Ngachu Elvis on the theme "No More Bondage" (Revelation 18:4) under the subtopic "**Where is my own package**"? **With divine healings being one of the points** - With a biblical allusion in the book of **Romans 10:9-10, Isaiah 53:5**. The hand and power of God was evident as many people were delivered from bondages like the bondage of slavery, sin, sicknesses just to name a few. There was salvation, healings and deliverances, prophecies and miracles which were very instant, clear, confirmed, sealed and undeniable.

The Minister's inspiration was from Christ Jesus and his focus was on Christ. There were **140 participants** on this first day of the crusade. The crusade was so successful, and it ended at exactly 10:13pm.

Day 2 – Saturday December 28, 2019

The program started at exactly 3pm with the intercessors on ground who were interceding for the mighty move of God Almighty in the program. It was later followed with hot praises, dances and worship. During this session, many people were delivered from bondages. The preacher of the day was introduced by Prophet Ngachu Elvis and that was no other person apart from Rev. Pastor Forkwa Pauline from USA. She preached on: **The Kingdom of Heaven - Matthew 13:24-30**. Where she made us to understand that we are all here because of the Kingdom of Heaven. She made us know that when talking about the Kingdom of Heaven we are talking about righteousness, peace, and joy in the Holy Ghost. And Jesus is the King.

Day 3 – Sunday December 29, 2019

The program started at exactly 2:00pm with 1:1 counseling with Rev. Pastor Pauline from the USA where she listened attentively to the people and orientated them. The people showed up. The intercessors were present at exactly 3pm on this same day.

A moment of powerful prayers where led by Apostle Yemi Sylvester. Followed by powerful praise and worship. Exhortation was then done by Pastor Eugene Shey on the topic: **The devil has no power over you as a child of God - Colossians 2:20, John 5:4-5, Matthew 16:18-19, Ephesians 1:19-20, Acts 3:26, John 8:21-22**.

The preacher of the day was Rev Pastor Forkwa Pauline. Her anchor scripture was **Revelation 2** where God said He knows the throne of Satan has been established in the city and people's lives and that He will overthrow it. Then she preached on **Revelation 22** where the Living Water from God's throne and from the Lamb is flowing in the city. The woman of God invited everyone in the crusade to lift their bottles of water and the men of God began to pray for the living water to flow in their personal waters so they can receive salvation and healing.

On this last day of the crusade there were **202 participants, 55 souls won**. Salvation, healing and deliverance, prophecies and miracles were so tremendous.

We were also blessed to have a guest artist in our midst during the crusade known as **Evangelist Caleb** with his song title; **It's All About Jesus**. It was a great and awesome moment with this guest artist.

In a nutshell, the 3 days mega crusade in the land of Awae was a success as the Theme **No More Bondage** was in line with what the people of Awae were going through. The hand of God was strongly in this program and lives were rapidly transformed, destinies were reshaped, barriers eradicated, and people were liberated from bondage and salvation became the main preoccupation. The Lord backed His word through His servants and testimonies are still roaming within and without the land of Awae. And the theme **No More Bondage** was accomplished. This is to say that: A word cannot come from the mouth of the Lord without accomplishing the purpose for which such word came out for.

For the **3 days crusade**, there were **409 participants**. With a total number of **113 souls won for the Kingdom of God**.
